FREQUENTLY ASKED QUESTIONS

Do you have any venue hire fees or minimum spend requirements for functions?

We do not charge any venue hire fee and only put in place minimum spend requirements in the case that a customer wants exclusive access to a particular space(s). The amount for the minimum spend will depend on a number of different factors such as time of the year, day of the week, which space(s) is to be used and expected number of participants. Please let our function managers know the basic details for your function such as date, time, expected number of participants and venue space(s) required. We will then let you know the amount for the minimum spend. Any amounts spent by any participants of the function (including food, drinks, Little Way decoration/hire services) counts towards the minimum spend.

Do you cater to dietary requirements such as vegan, gluten free, food allergies and so on?

Yes, our Chefs are experienced at meeting an array of different dietary requirements. Please ask your guests if they have any particular dietary requirements and let the function manager know by email or telephone 7 days in advance.

Is a deposit required to secure a function booking and what is your refund policy in regards to the deposit should I not go ahead with my function?

In the case you would like to go ahead with a booking, we will place a booking in the system and require payment of a deposit within 7 days. Once the deposit is received, the booking is secured. The amount of the deposit varies on the type of function but is usually around 10% of the estimated spend. In the case that you wish to cancel your function after paying the deposit, we will return the deposit as long as you notify us at least 28 days before your function date.

When do you require notification of final numbers?

It is much appreciated if final numbers can be submitted at least 1 week before your function date but we do allow changes to numbers any time up until 48 hours before your function. Any reduction in numbers or 'no shows' are charged for after this 48 hour deadline.

Do you offer decoration services & function equipment hire, and what are the costs?

Little Way can take all the stress out of organising decorations. We have standard packages and our staff will do all the work with both setting up the decorations and packing it away at the end of your function. This massive convenience is priced from only \$10 per person (with a minimum total set up fee of \$150 per function). We also arrange personalised signs and hire stands. You can even hire our mobile bar to wheel out to your function and it comes with a dedicated bar tender. We have a long list of hire equipment for those additional special touches. Please see our Function Decorations and Hire Service pack online for detailed information.

Even if you would like to arrange decorations yourself, please feel free to browse our Function Decorations and Hire Service pack for hire equipment such as plinth, various vases, tableclothes, cloth napkins, fruit bowls, dried flower bouquets, table runners and so on.

Can I bring in decorations for the table and/or space and how long before my function time can I come in to decorate?

Should you prefer to decorate yourself rather than use one of Little Way's decoration packages, there are many photos on our Instagram page @littlewaynedlands of previous customer's beautiful creations. If you have exclusive access to a particular space, you can decorate as you like as long as no damage is caused to the venue. Even if you are sharing a space with other customers, it is fine to decorate as long as it does not intrude on the space of other customers. We ask that customers put any candles in a vessel so as wax does not drip on the tables or floor. We also do not allow confetti as it is a nightmare for our staff to clean up.

Please feel free to bring in your decorations early and we will store them in our office (subject to space being available). If you are bringing in large items such as backdrops which require access to the venue through the front gates, prior written permission is required from the function manager, and it is necessary to arrange appropriate drop off and pick up times so as not to adversely impact other customers. You and your vendors can access the space 30 minutes before your function starts. Should you wish to pick up your decorations on the day after your function, this is fine but we ask you to do this in between the hours of 7 am – 7.30am.

Do all participants in a function have to go on to the same set menu and what about kids?

All adult participants are required to go on to the same set menu. For example, if the organiser chooses a two course set menu and elects to have entrees and mains, all guests need to go for the same option. However, in the case of High Tea and Bottomless Brunch, guests can choose which drinks option they would like to go on on the day – tea/coffee. For example, some may choose the bottomless virgin option while others choose the bottomless alcohol option.

In regards to young children, we have a \$25 Kids Breakfast Set Menu (including a drink) as well as a \$25 Kids Lunch/Dinner Set Menu.

Can I bring in a cake and do you charge any cakeage fee?

We are more than happy for our function customers to bring in a large cake for their celebration. However we do not allow BYO of cupcakes and/or cookies. Should you wish to drop the cake off early, we have a large walk-in coolroom where we will store it for you. In the case that you are prepared to cut up the cake yourself, there is a cakeage fee of \$1.50 per person. We provide everything that you need such as a cake knife, cake forks, plates and napkins. Should you prefer that our chefs cut up and plate your cake, there is a \$3 per person cakeage charge.

What happens if we have booked an outdoor space but it is raining on the day of our function?

In the case of rain, we will make every effort to switch customers to a shelter area out of the rain, subject to availability. We encourage function customers to keep an eye on the long term weather forecast and if you are concerned about the risk of rain, contact us as soon as possible to check availability of our inside spaces.

Can we play our own music and can we bring in musicians for our function?

We deliver music to all sections of the venue and use Spotify. Should you have a restaurant appropriate play list, we are happy to play it during your function (subject to prior approval from Little Way management). In the case that you have exclusive access to a space, we can turn off the restaurant music to that section and you can play your own music via a small portable speaker. In such a case, the volume of the music cannot be any higher than the standard volume of the restaurant music system.

As Little Way is in a mixed commercial/residential area, should you wish to have a musician (using electrical amplification equipment) perform at your function, you will need to seek prior approval from the Environmental Health Department of the City of Nedlands. Please call them on 08 9273 3500 and ask to speak to the Environmental Health Department. Once you have written approval, please email to us at info@littleway.com.au. If you wish to have a solo acoustic artist perform at your function, you are not required to seek approval from City of Nedlands, but you are still required to obtain written approval from Little Way management.

With prior written approval from Little Way management, you can have a DJ perform in the main dining room. Under no circumstances will DJs be allowed to play in our outdoor spaces. In the case of having a DJ, you will need to agree to our terms and conditions for DJs (see the last two pages of our Function Pack).

What is the best way to do drinks?

Should you wish to offer drinks to your guests, we recommend that you run a bar tab. You can choose which drinks you would like to offer under the bar tab and we will make you up a structured bar tab drinks menu. Alternatively, should you wish to have your guests come up to the bar and purchase their own drinks, that is also possible.

Of course, should you choose the two hour bottomless option for High Tea or Bottomless Brunch, drinks are included.

Is it possible to have a private bar and dedicated bar tender for my function?

Little Way has recently purchased a cool little mobile bar that we can wheel out to your function in one of our outdoor spaces. It includes your own dedicated bar tender and you can structure the drinks list. The total hire fee is \$95 per hour (plus the cost of any drinks consumed). See our Function Pack for more details.

Do you allow split billing for functions?

We ask that customers don't do split billing for functions. Please pay for the set menu portion of the bill (minus the deposit) before your function starts. Drinks and any further purchases by function participants need to be settled on the day.

Any variation to these payment arrangements must be pre-approved in writing by Little Way management at least 48 hours prior to the function date.

Are we allowed to play games or have performers come in to Little Way for my function?

Let's face it, we are never too old to play games and what better way to liven up a party! In the case that you have exclusive access to a space, please feel free to indulge. In the case that you are sharing a space with other customers, we ask that you be respectful and limit any excessive noise. In the new Park space we have games such as bean bag chuck, 10 pin bowling and skittles, so feel free to enjoy.

We also welcome performers but this is subject to prior approval from Little Way management.

Do you have onsite car parking for function guests?

Little Way does not have onsite parking but there is ample parking street side along Broadway as well as a large parking area at the end of Broadway opposite the river. Please do not use the onsite parking at Duet or any of the surrounding businesses / private residences.

We require a PA system for speeches at our function. Does Little Way have a microphones and speaker for hire?

Yes, we have a PA system equipped with 2 x microphones and an amplifier/speaker. The hire cost is \$120 per function and this includes set up and pack down fee.

DECORATIONS

You are welcome to bring in your own fresh flowers, balloons and decorations for your table(s). Please let us know what decorations you have in mind and we can assist with access times. We do not allow confetti and any candles must be contained within vessels. Customers will be liable for any damaged caused to the venue by themselves or their guests.

MUSIC & SOUND EQUIPMENT

Music is supplied by Little Way to all sections of the venue. Please speak with our Functions Coordinator should you wish to provide your own music. Noise restrictions apply to all outside areas.

As Little Way is in a mixed commercial/residential area, should you wish to have a musician (using electrical amplification equipment) perform at your function, you will need to seek prior approval from the Environmental Health Department of the City of Nedlands. Please call them on 08 9273 3500 and ask to speak to the Environmental Health Department. Once you have written approval, please email to us at info@littleway.com.au. If you wish to have a solo acoustic artist perform at your function, you are not required to seek approval from City of Nedlands, but you are still required to obtain written approval from Little Way management.

With prior written approval from Little Way management, you can have a DJ perform in the main dining room. Under no circumstances will DJs be allowed to play in our outdoor spaces.

The following terms and conditions apply to DJs:

1. The front and side doors to the main dining room & bar areas must be kept closed while the DJ is playing music. At such times that the DJ is playing music, all guests must close the side and front doors after them when entering or exiting. It is the responsibility of the function customer to make all guests aware of the need to keep the doors closed and to help enforce this rule.

2. The sound output from the DJ equipment is limited to a maximum of 90 dB (A). Management will take regular sound measurements and give the DJ a single warning should the maximum level be exceeded. After that single warning, any further measurement over 90 dB (A) will result in termination of the DJs permission to perform at Little Way and they will be required to immediately leave the premises. No exceptions will be allowed.

3. DJs are to set up their equipment at the back of the main dining room only. Under no circumstances can DJs perform in any outdoor spaces at Little Way.

FINAL NUMBERS & MENU

All menu choices, specific dietary requirements and the final number of participants are required at least 7 days prior to the function date. After the 7 day deadline, numbers can only be reduced by a maximum of 10%. Guaranteed numbers will be required at least 48 hours before the function date in writing, with no further reductions in final numbers allowed.

Any reduction in numbers with less than 48 hours notice, or any no shows on the day, will be charged at the full set menu price.

Should the numbers increase, we will endeavor to accommodate you, however a full payment of additional costs must be made on the day of the function.

FINAL PAYMENTS & MINIMUM SPENDS

In the case of a minimum spend being applicable for a function, that amount is payable at least 1 week before the function date. Any outstanding balance in excess of the minimum spend, is payable on the day.

In the event that a customer who previously committed to a minimum spend decides that they no longer wants to commit to the minimum spend, at least 28 days notice prior to the function date is required. The minimum spend obligation cannot be cancelled within 28 days of the function date.

In the case of no minimum spend being applicable, the amount due for the set menu and any pre-ordered food is required upfront before the function starts. Payment for all other food and drinks consumed by function guests are required on the day of the function. Split billing is not allowed unless prior written approval has been obtained from the function manager. We accept MasterCard, Visa and AMEX. A surcharge applies to credit card payments (Mastercard/Visa 0.7%, AMEX 1.6%).

If the final payment is not met on the day of the function, Little Way reserves the right to deduct the balance from the credit card information supplied.

All cancellations must be made in writing. If cancellation occurs within 28 days of the function date, the deposit will be forfeited.
